

Scott Harvey Wines

Napa Valley & Amador County

2008 Syrah

Mountain Selection

Vintage:
2008

Appellation:
Amador County

Vineyard/Vintage Notes:
100% grown in mountainous Syrah Vineyards of Amador County. These vineyards make up a good representation of Amador County's ability to produce world class Syrah. They vary from steep, rocky volcanic slopes to rolling Sierra mountain terrain. This mountain terroir produces low yields of first growth quality fruit. Harvest was in late September of 2008 with a smaller than average crop. Grapes came in with small bunches and berry size, allowing for a more extracted vintage.

Winemaker's Notes:
Produced in a drinkable fruit forward and rich style. Aged 21 months in French Oak cooperage to develop a well rounded wine with delicious drink ability.

Tasting Notes:
This wine exhibits a mouth filling creamy texture and big cherry fruit. Aromas of blackberry, cedar, blueberry and sweet light oak introduce fresh, bright, spicy flavors, laced with firm tannins that carry through the long finish.

Vineyard Sources:
39% grown in the mountainous York Syrah Vineyard of Fiddletown, Amador County. This vineyard is made up of steep, rocky volcanic soil with a southwest facing slope. 61% from the Ryan Vineyard located in the center of Shenandoah Valley on decomposed granite soils.
