2009 J&S RESERVE SYRAH

Produced in a rich, dark fruit forward style. Aged in French oak cooperage to develop a well-rounded wine with firmly structured tannins.

Our Reserve Syrah exhibits aromas of blackberry, pepper, clove, blueberry and sweet light oak, leading way to fresh, bright, spicy flavors of the same, laced with firm tannins, and a long, lingering finish.

Pairs nicely with grilled meats such as pork, lamb and beef. Scan the QR Code for our recipe of Roasted Pork with Smoky Red Pepper Sauce.

Appellation: Amador County
