## *Vermentino*

**Vintage:**

2020

**Appellation:**

Amador County

**Vineyard/Vintage Notes:**

Amador County's high elevation mountain vineyards are well suited to the production of full flavored varietal Vermentino.

**Winemaker's Notes:**

Made in a crisp delicate European style to be aroma rich wine. No oak or malo-lactic were used allow the natural flavors from the mountain vineyard to shine through. This pretty wine has minerality on the back and finish and a firm acid structure throughout. This balanced wine will accompany Asian food and light chicken or pork dishes.

**Tasting Notes:**

This Vermentino shows hints of pumpkin, peach blossoms, sweet coconut and jasmine. The grapes were picked when ripe but not over ripe producing a balanced enjoyable wine that goes well with food while not overpowering it.
